

**You are invited!**

**We are pleased to invite you to a free educational webinar hosted by the Aon Health Care Practice:**

***Evolving Environmental Risks for  
the Health Care Industry***

Environmental risk continues to evolve for the health care industry. From New super-bugs to EPA enforcement initiatives and growing public awareness, Health care operations need to address environmental risk proactively.

The session will discuss:

- ✓ Expected and unexpected environmental liabilities
- ✓ 'Real-life' cases and claims and resulting costs and damages
- ✓ Legal options available to address environmental risk
- ✓ Current insurance market developments specially tailored to the health care industry

**Speakers:**

Suzanne Avena, Chair of the Environmental Practice Group  
Garfunkel Wild, P.C.

Veronica Benzinger, Senior Vice President  
Aon Risk Solutions Environmental Practice

**This free web and audio conference is on
